- ❖ *Since 1998 Flair Entertainment has entertained over THOUSANDS of guests covering many different events, ranging from weddings to private parties, bars and tailgate parties to corporate and fundraising events. We specialize in making your event memorable and special!*
- ❖ *We utilize laptop computers to play strictly digital sound for your event. We also use the latest DJ software and contain over 15,000 songs. If we do not have your special songs, we can find almost any song and add it to our library. No more disappointment in your DJ not having your special song!*
- ❖ *You can meet personally with your disc jockey prior to the day of your wedding to discuss and plan the details of your wedding reception. We also provide a worksheet to outline the events, announcements, and music at the reception. Together we plan your reception down to the finest details.*
- ❖ *Our fees include your DJ in professional wear, use of a 2-speaker sound system for receptions up to 400 guests, wireless microphone, and a light show at no additional charge. For larger receptions, we can add more speakers to provide all around sound at a very manageable price. Typically, there are no charges for setup or travel.* We only charge for actual playing times.*
- ❖ *At Flair Entertainment, we strive to make your wedding reception one of the most memorable events of your lifetime! You should expect nothing less than the finest entertainment for your special day. When planning one of your most memorable days, shouldn't you choose only the best disc jockey entertainment service?*

**Set up fees can be charged for your DJ needing to carry up flights of stairs, far distances from the loading/unloading area and extreme travel distances. Any extra fees are discussed prior to contract signing.*
